

Enhancing business relations through exceptional wine events

Looking for exclusive company events, customised trips and incentives, as well as unique fringe events for conferences and congresses that will bring employees and customers closer together? Just 30 minutes from the business hub of Frankfurt and near Mainz and Wiesbaden, two dedicated women organise wonderful wine experiences in the beautiful and historic landscape of Rhine-Hesse and Rheingau with an exceptional sense for detail.

Wine experiences for a day, a weekend or a whole week in Germany's biggest and most beautiful wine-growing region – the company 'Herrgottsgarten' create the exquisite combination of culture and wine, far removed from stressful working hours. "We take a lot of care in selecting our cooperating partners, such as vintners, gastronomy and accommodation providers," Anke Schneider, one of the two founders and joint owner, explains. Whether a customer desires a full moon wine tasting, a drive through Rhinehessen and Rheingau on the nostalgia bus, dinner in a vineyard, a clas-

sic grape harvest or cooking course, Herrgottsgarten is sure to satisfy everyone's individual wish.

Having been awarded the 2014 Best of Wine Tourism Award of The Great Wine Capitals, the company focuses on personal, warm and considerate planning for all their wine experiences and trips. Customers each receive a personal contact person who cares for their wellbeing. "We want our customers to feel like they're in 'Herrgottsgarten', in paradise," Anke Schneider says. "Our customers don't need to plan a thing and we seek to guarantee happy and carefree hours
